Ten of our cabins are located on Front Street and are within metres of the waterfront Marina Restaurant, Cruise Terminal, swimming pool and our international standard tennis court. A further twelve cabins are located on a constant level lake close to Front Street. Each of these twelve Lake Vue Cabins has an outdoor private spa in a mini tropical jungle.

Explore or unwind, the choice is yours! For the perfect place to unwind look no further than our tropical design 25 metre freeform swimming pool, complete with its own waterfall and small jungle trail.

MARINA

At the heart of Port Hinchinbrook is the Marina designed to provide boat owners with a new level of convenience and facilities. Facilities include the swimming pool, tennis court, Laundromat, refuelling, marine engineering, and the waterfront Marina Restaurant.

Resort guests bringing their own boat will have quick access to the Hinchinbrook Passage and its tributaries which are always smooth. Rockingham Bay has a number of magnificent islands and if you are heading to the Great Barrier Reef the open sea is only 15 nautical miles from shelter. For the serious yachtsman the depth of our access channel is 2 metres at Low Water Spring Tide. Berth sizes range from 10 metres to 45 metres.

MARINA RESTAURANT FOR WEDDINGS, CONVENTIONS AND PARTIES

Port Hinchinbrook is becoming the No1 venue for weddings in North Queensland especially if you enjoy being away from the crowds. Our

Marina Restaurant will seat up to 250 guests. Assuming that the bride and groom would like a luxurious and secluded hideaway we suggest the Hinchinbrook Island Wilderness Lodge which is 50 minutes by boat from the wedding celebration.

For conventions we have a permanent marquee to seat 200. It has a bar and adjoining deck.

For an exclusive convention or wedding we suggest our Wilderness Lodge on Hinchinbrook Island which is 50 minutes by boat from Port Hinchinbrook. By utilising all the Treetop Bungalows and Beach Cabins (some with 2 bedrooms) we can accommodate 37 couples. A large number of persons can also be accommodated in our 4 star cabins at Port Hinchinbrook with daily transfers via "HINCHINBROOK EXPLORER II".
